

Cognitive Science MINOR (Catalog Year 2019-20)

PLAN OF STUDY

A final plan of study for the minor, signed by the Director of Undergraduate Studies in Cognitive Science, must be filed with the Registrar during the first four weeks of classes in the semester when a student expects to graduate. A copy of the signed form should go to the student's major advisor. Once filed with the Registrar, changes in the plan may be made only with the consent of the Director of Undergraduate Studies.

The student must earn a C (2.0) or better in each of the courses for the minor. A maximum of three credits counted towards the minor may come from transfer credit for courses equivalent to University of Connecticut courses. Substitutions are not possible for required courses in a minor.

Course Requirements

To earn a minor in Cognitive Science, students must complete 15 credits at the 2000-level or above. COGS 2201 is required, plus four additional courses coming from at least three areas (A through F). No more than two courses may be counted from any single department.
